About BITY

This unique outdoor production featuring excerpts from the works of William Shakespeare, was first conceived by Director Frank L. Sawyer in 2011. The *Bard in the Yard* project explores themes common throughout Shakespeare's works.

BITY1 featured the romantic comedies and the trappings of love theme. 2013's edition of *BITY* focused on the battle of the sexes. *BITY 3* invites you to join us on a journey of the macabre and the mischievous, the weird and the whimsical as we explore what lies beyond the tapestry of human knowledge and existence. Is there more to life than just us? How can we possibly predict what might happen when the worlds of the supernatural and humankind intersect? The show includes excerpts from *Romeo and Juliet*, *Hamlet*, *Julius Caesar*, *The Tempest*, *Twelfth Night*, and *Macbeth* among others. We welcome you, thank you for being with us and hope you enjoy our show!

About SSP

Celebrating their 79th anniversary, the Silver Stage Players is dedicated to providing the finest theater, community service, and educational opportunities to its members and the residents of northeastern Nevada.
